

“Complaints and Grievances Policy.”

Rationale

St Mary's Catholic Primary School is committed to providing a safe and supportive learning environment. From time to time, students and parents can sometimes feel aggrieved about something that is happening at the school that they believe requires attention, further investigation or change in procedures or a resolution.

SCRIPTURAL CONTEXT.

At the heart of our policy is the bible quotation that heads our Complaints and Grievances Policy.....

“Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things. That is let these things occupy your mind.”

Philippians 4:8-9.

Policy Statement

St Mary's Primary School endeavours to ensure that complaints are managed and resolved fairly and in a timely manner.

Principles

- The complaints resolution procedure is implemented for resolving complaints in relation to issues that fall within the school's area of responsibility.
- All cases of serious misconduct: sexual offences, criminal charges, or other serious incidents must be referred to the relevant regulator or authority.
- The principal has a responsibility to address unacceptable conduct or concerns that are observed or brought to the school's attention.
- It is important that all complaints, ensuing procedures and outcomes are fully documented.
- The principal may choose to respond to a complaint through an informal process in cases where the complaint is minor, the complainant wishes the matter to be dealt

- with informally or the complaint has arisen from lack of or unclear communication.
- Formal processes will be used when informal processes have not been successful, a complainant seeks a formal process, or the principal believes the complaint warrants formal investigation.
 - This policy will be made available on the school's website.

Complaints Procedure

In the first instance, complainants should contact the person/s involved in the issue when it first arises so that it can be resolved quickly. In many cases this would involve the classroom teacher in the resolution of the complaint even if the complaint is not directly about them. The types of complaints could include

- issues related to student discipline procedures
- issues related to learning and teaching
- damage/loss of personal property
- bullying and harassment

Concerns about your child could be addressed by:

- writing a note to the relevant teacher / level leader outlining your concerns and provide a contact number if the teacher needs to contact you for further information or follow up. This will usually be outside of classroom times.
- making an appointment to speak on the phone or in person with the teacher / level leader, ensuring that you inform the school about the issue you wish to discuss. It is important to remember that teachers cannot always meet with you just before and after class times due to other responsibilities and meetings
- arranging a meeting time or phone call through the school office (this is more convenient for both you and your child's teacher and does not interrupt teachers during the time they need to be with their students).
- The teacher, together with any others who may be involved such as another classroom teacher, should be given a reasonable amount of time to take the steps required to resolve or address your concerns. Remember, it may not always be possible to resolve an issue to your complete satisfaction.
- If the matter is urgent and the teacher is not available then contact the office to arrange for the Principal, Deputy Principal, Level Leader or other suitable staff member to either meet or contact you.

Concerns to be Raised with the Principal

Most concerns are resolved by discussing the issue with the relevant person. However, if the issue remains unresolved you can then ask to see the principal.

To do this, you will need to request an appointment. Please note that:

- the principal may ask another senior staff member to speak with you on their behalf
- if a teacher is going to be present at the meeting it is more likely to occur outside of classroom hours.

If your concern is related to issues of school policy, these should be raised more formally (in writing) with the principal.

If the complainant after meeting with the principal believes that the school has not listened to their concerns or followed school processes then the complainant can take the issue to the school governing authority or Catholic Education Office Ballarat. It is important to note that the school will make decisions that are not always accepted by all the school community.

Maintaining a Safe Environment

At any stage in the complaint process, staff have the right to feel safe. Aggressive or abusive behaviour will not be tolerated. In such instances, the staff member will end the meeting and refer the matter to the principal and the occupational health and safety officer.

If the complainant feels unsafe, they should end the meeting and refer the matter to the principal. In the case of it being the principal, then the complainant should contact the governing authority.

Making, Receiving and Investigating Complaints

At St Mary's Catholic Primary School, all staff are expected to:

- listen carefully and deal calmly and respectfully with complaints
- document the complaint, actions taken and outcomes
- look at all sides of an issue

- accept that it is not possible to resolve all complaints
