

St. Mary's Mission Statement

St. Mary's Primary is a Catholic school which aspires to provide a happy, safe and confident teaching and learning environment in which the needs of students and staff are met with support and understanding. We aim to do this in a way that reflects the individual talents, gifts and experiences of each person. In this, we actively seek the support of parents and the wider community. We strive to work together in a collaborative manner.

As a worshipping and compassionate community, we place great emphasis on Catholic values. We ensure that our work reflects ideals such as mutual respect, trust and honesty. We care for others, particularly those in need. We want to develop each individual to their full potential by providing a balanced and relevant curriculum.

We are proud of our school and wish to share this pride with all who come into contact with us.
