Physical Education

We aim to develop an enthusiasm for Physical Education and sport so that children will pursue an active, healthy lifestyle. Our students participate in a 50 minute weekly physical education lesson.

Children in Grade Prep, 1 & 2 also participate in a weekly PMP (Perceptual Motor Program) lesson in Terms 1, 2 & 4. In addition to this, the children are able to access a wide range of sports equipment for use during play periods.

St Mary’s is a member of the Yarram and District Primary Sport Association where various competitions are held for students in Grades 3-6 during the year.
