Religious Education

Religious Education is an integral part of Catholic Education. We promote Christian values and encourage these to be evident throughout all learning and social situations.

The Religious Education curriculum is based on the program ‘Journeying Together in Hope,’ focusing on topics such as Easter, Advent, Sacraments, Missions and Jesus Christ. Children are given an opportunity to build on their relationship with God, Jesus and the Holy Spirit through a variety of activities and experiences. They are brought to an awareness of themselves, of others, of the world and the Christian faith and tradition.

Children participate in daily prayers, class liturgies and school Masses. They are able to receive the Sacraments of Reconciliation, Eucharist and Confirmation. These Sacraments are taught in conjunction with the school, parents and parish. Students who are not Catholic are able to receive a Special Blessing as part of our Sacramental Program.
