**Student wellbeing:**

Students at St Mary's are supported through a range of wellbeing initiatives. These include:

- **Social skills groups:**
  - building resilience, confidence and friendship skills
  - build skills to assist them on the playground
  - Develop ways to deal with different situations

- **Life skills program:**
  - Opportunities to handle money in real life situations
  - Maintaining the vegetable gardens
  - Cooking healthy foods

- **PSG meetings:**
  - Held each term for students with specific needs
  - Focussed on the child’s individual learning plan
